

Additions/Changes – February 2010 - Lothian

Date	ES Service	Change Made
Feb 10	Alcohol BI	Addition of Escro Button at top of guideline for electronic screens
Feb 10	Drug misuse	Addition of Escro Button at top of guideline for electronic screens

Rename/delete any previous EScro guidelines first.

Please Note:

In order for the new style data collection screens to work correctly, first create a folder called 'escro' in your O Drive. Download the file **vdcsetup.exe** (from the Download Page – see below) to your O drive, then run the install on each client PC (Log out of Gpass first) from there.

See our Download Page
