Additions/Changes – March 2011 – Lothian

Date	ES Service	Change Made
Jun-13	Drug Misuse	Added read code for 'BBV prevention leaflet issued' (8CE..)

Please Note: Using the electronic screens (Data Collection)

In order for the data collection electronic screens to work correctly, there should be a yellow folder called 'escro' on your 'O Drive. Download the file **vdcsetup.exe** (from the Download Page on the Escro website) to the O drive (or shared folder), then run the file **vdcsetup.exe** on each client PC (Log out of Vision first) found in the Escro folder.
